

Pupcakes

These tasty homemade dog treats are just the thing to show your pet some love. They're created with a special cake and frosting—just like the human version.

Pupcake Ingredients

- 3/4 cup mashed bananas (about two medium-size bananas)
- 1 egg
- 1/4 cup peanut butter
- 2/3 cup milk
- 1/2 cup rolled oats
- 3/4 cup all-purpose flour
- 1 teaspoon baking powder
- 1 teaspoon cinnamon
- 1/4 teaspoon salt

Frosting Ingredients

- 8 oz. plain Greek yogurt
 - 1/4 cup peanut butter
- (Note: If your dog has a dairy intolerance, a dairy-free substitute can be used.)

Bake the Pupcakes

This recipe makes about 8 pupcakes. Preheat oven to 350 degrees. Line a muffin tin with paper liners and set it aside. In a large mixing bowl, combine the mashed banana, milk, egg, and peanut butter. Stir these ingredients just until they are thoroughly combined. Fold in the rolled oats, flour, baking powder, cinnamon, and salt. Stir again just until they are combined, but do not over-mix.

Divide the batter evenly among the liners, filling each two-thirds full. Bake pupcakes in the oven for until the golden brown tops spring back when lightly pressed and a tester inserted into centers comes out clean, about 10 minutes. Transfer pupcakes to a wire rack and let them cool completely.

Make the Frosting

Using an electric mixer with the whisk attachment, beat the yogurt and peanut butter until light and fluffy. Place the frosting in a piping bag and pipe onto the pupcakes. Store them in the refrigerator in an air-tight container, and they will keep for up to one week.
